

Porchlight Community Housing Support Service

Age 17+

We offer support for people with housing and mental health issues

Working one to one via telephone/WhatsApp video we can support you with:

- Housing advice individually tailored to meet your need.
- Liaising with local authorities
- Liaising with housing associations and private landlords
- Advocacy and guidance on specialist matters
- Support to access appropriate legal advice if required

We can help with accessing mobile phones and using digital applications to connect with people.
