

## **Porchlight Community Housing Support Service**

Age 17+

**We offer support for people with housing and mental health issues**

Working one to one we can support you with:

- Housing advice individually tailored to meet your need.
- Liaising with local authorities
- Liaising with housing associations and private landlords
- Advocacy and guidance on specialist matters
- Support to access appropriate legal advice if required

Most of our support is offered remotely; we can help with accessing mobile phones and using digital applications to connect with people.
